SGN# 230-240

Suggested Application Rates:

Established lawns:

Spring application 8 lbs per 1,000 sq. ft.

Early summer application 6 lbs per 1,000 sq. ft.

Late summer application 6 lbs per 1,000 sq. ft.

Vegetable gardens and flower beds 10 lbs per 1,000 sq. ft.

For best results follow soil test guidelines.
Improved results in turf if used after aeration.

Florida

Florida Fertilizer License #F1806.

Virginia

Per Virginia State Law, do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rains are expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden.

In the state of Virginia, this product is only to be used on newly established turf during the first growing season, turf areas being repaired or renovated, or turf areas for which a soil test has been obtained within the last three years and which indicates a nutrient deficiency.

Washington
