FOOD PRODUCTS

BAKERY INGREDIENTS

We provide superior service to a large cross section of the food industry, including industrial food manufacturers, high production bakeries, food service distributors and retail chains. Products include baking ingredients, additives, dairy ingredients, seeds, spices and fruit pieces.

OILS & SHORTENINGS

As the Northwest's premier bulk supplier of vegetable oil, we provide bulk and packaged products (conventional, trans-free / low trans, non-GMO and organic) for industrial and food applications at an excellent price with efficient and fast service. Perfect for companies practicing just-in-time inventory or managing complex production schedules.

PACKAGED/CANNED FOOD PRODUCTS

Serving institutional, food service and retail industries. We export a wide range of manufactured food products and import institutional/retail commodity goods, fruits, vegetables and seafood.

ORGANIC FOOD INGREDIENTS

From farm to finish, we are a premium supplier to food manufacturers requiring certified organic and natural food ingredients. Expeller pressed oils, vinegars, baking products and nutraceutical ingredients are just some of our specialties.

PULSES & SPECIALTY CROPS

Choose from a complete line of pulses and specialty crops including multiple varieties of beans, peas, popcorn, lentils, nuts, oats, raisins and various spices.

AGRICULTURAL PRODUCTS

FERTILIZERS & MINERALS

Wholesale distribution of soil amendments, natural fertilizers and mineral products to commercial fertilizer dealers, fertilizer-spreading services, retail farm services, lawn and garden packagers, lawn care firms, horticultural products supply houses, and suppliers to the golf course and turf trade.

PET FOOD AND FEED INGREDIENTS

We are a wholesale distributor of imported and domestic feed ingredients available in conventional, organic, natural food grade and feed grade.

BIRDSEED

Offering a complete line of imported and domestic birdseed ingredients with excellent quality and competitive pricing.

GRAIN SEEDS

Serving the western United States with registered, certified and uncertified grain seed with an emphasis on quality and service.

Global reach. Personal touch.

Headquartered in Tigard, Oregon, Bridgewell Resources is a global wholesale distributor and trader serving retailers, manufacturers and other customers. Whatever your need, we span the gap with one-stop shopping for a wide range of value-added products in food & agriculture, utility & construction and wood products.
