

Specializing in Organic Food Ingredients

Headquartered in Tigard, Oregon, Bridgewell is a global wholesale distributor and trading company serving retailers, manufacturers and other customers with a wide range of value-added services and products in three markets: food & ag, utility & construction and wood products.

Bridgewell Resources Food & Agriculture Division works as an extension of your buying department, leveraging our long-standing relationships to your advantage. We have the speed, knowledge and flexibility to make your job easier providing personalized service from sourcing through delivery. We have an extensive logistical network of dry warehousing, bulk liquid storage and freight carriers to assure the product you need gets to you when you need it.

Depend on us for high-quality ingredients for premium food and bakery applications; fertilizers and minerals; and specialty agricultural products such as pet food ingredients, grain seed and birdseed.
